

Schedule a Lice Check Prior to Arriving at Camp

We are working hard to make sure all campers arrive at camp ready to have fun right from the beginning. **With this in mind, we ask that each camper get a head check during the week prior to opening day for \$30/per person at these participating clinics.** In addition to ensuring a good start to camp for everyone, this appointment will allow your child to **skip the lice check** when they arrive at camp.

Please only call to book within 30 days of the check date. **** New or updated 2025 locations are marked with an asterisk.****
